

# HELPING HEALTHCARE AND WELLNESS ORGANIZATIONS THRIVE

SCI partners with healthcare, long-term care and beauty and wellness leaders to reduce complexity and improve customer and patient experiences.

## WAREHOUSING & DISTRIBUTION

Manage compliance, scalability and cost:

- GMP compliant and Health Canada licensed
- Validated warehouse management system
- Cross-docking, picking and packaging
- Hospital/ long-term care supply management
- Import product testing
- Drug, Medical Device and Natural Health Products site licences
- Temperature controlled facilities

## DTC FULFILLMENT

Get your products to the consumers and businesses that count on you:

- Direct-to-Consumer (DTC) and e-commerce expertise
- Track & trace systems
- Complete inventory management
- In-house quality assurance and regulatory support

## PACKAGING & KITTING

Build your brand and delight your customers:

- Retail kitting
- Subscription boxes
- Custom packaging
- Food License

## POST-SALES LOGISTICS

Let SCI reduce support costs and improve customer satisfaction:

- Installation, assembly and set up
- Break-fix-swap support
- Reverse logistics and recall support

## TRANSPORTATION

Across town or across the country, we'll get it there on time:

- Same day service
- High value/white glove delivery
- Home delivery and set-up
- Dedicated healthcare transportation network
- Route and schedule planning
